

## CLAIM LISTING

This listing of the claims replaces all prior versions, and listings, of claims in the application.

Please cancel claims 3 and 9.

1. (Currently amended) A disposable sanitary seat cover, comprising:  
a first sheet of material having a front side and a back side, the sheet defining a seat portion, wherein the sheet includes a predefined removable section that may be separated from the sheet; and

an adhesive strip secured to the back side of the first sheet of material,  
wherein the seat portion comprises at least one ~~passage~~, wherein the passage is adapted to permit a child's legs to pass through the first sheet, and wherein the seat portion includes an elastic member that circumscribes the seat portion.

2. (Canceled)

3. (Canceled)

4. (Previously presented) The disposable sanitary seat cover of claim 1, wherein the seat portion further comprises a third passage and a fourth passage, wherein the third and fourth passages are adapted to permit a restraining device to pass through the first sheet.

5. (Previously presented) The disposable sanitary cover of claim 1, wherein said at least one passage comprises a first passage and a second passage.

6. (Previously presented) The disposable sanitary cover of claim 4, wherein the restraining device is a seat belt for a shopping cart.

7. (Previously presented) The disposable sanitary cover of claim 4, wherein the restraining device secures the cover to a high chair.

8. (Currently amended) A disposable sanitary seat cover, comprising:  
a first sheet of material having a front side and a back side, the sheet defining a seat portion, wherein the sheet includes a predefined removable section that may be separated from the sheet; and

an adhesive strip secured to the back side of the first sheet of material,  
wherein the seat portion comprises a first perforated area and a second perforated area, and wherein the first and second perforated areas, when torn, permit a child's legs to pass through the first sheet, and wherein the seat portion includes an elastic member that circumscribes the seat portion.

9. (Canceled)

10. (Original) The disposable sanitary seat cover of claim 8, wherein the first and second perforated areas each form a line.

11. (Original) The disposable sanitary seat cover of claim 8, wherein the first and second perforated areas each form a cross.

12. (Previously presented) The disposable sanitary seat cover of claim 8, wherein the seat portion comprises a third perforated area and a fourth perforated area, and wherein the third and fourth perforated areas, when torn, permit a restraining device to pass through the first sheet.
